Men's Club Championship 2026

The 2026 Men's Club Championship, held on 14 & 15 March, was a fantastic weekend of golf, camaraderie, and competition. Despite a bit of rain, our members showed great perseverance, delivering impressive play and plenty of memorable moments along the way.

A sincere thank you to all who took part, as well as to the Waterkloof team for presenting the course in outstanding condition and ensuring a seamless event.

Congratulations to all our winners, and especially to Handré Truter, our 2026 Club Champion, a well-earned title. And a special mention to Keagan Lloyd, who happily avoided braai duty this year thanks to a strong performance on the course!

Ladies Club Championship 2026

Following that, the Ladies Club Championship on 21 & 22 March brought another wonderful weekend of golf, this time under perfect playing conditions. The course was filled with great energy, elegant play, and a strong sense of camaraderie.

Well done to all our ladies for making the event so special, and congratulations to Leja Joubert, crowned 2026 Ladies Club Champion after a composed and consistent performance.

You'll find the full results for both championships at the end of this newsletter.

GOLF COURSE NEWS

March was a busy and successful month at the club, with both our Men's and Ladies Club Championships taking place under excellent course conditions. We also had the honour of hosting the Betway Big Easy Tour Finals, where the course was very well received by all participants. A sincere thank you to our course Committee and course staff for their dedication and attention to detail in presenting the course at such a high standard.

Work will continue to address the drainage concerns around the 18th tee boxes. In addition, the cart path behind the 18th green has been repaired, and upgrades to various pathways are ongoing. At the same time, we are progressing with our bunker project, identifying areas that require reshaping and improving overall playability.

We were fortunate to receive some much-needed rainfall during March, which has contributed greatly to the overall condition of the course. In April, we will continue with our spray programme, verti-cutting, and verti-draining, with added focus on ensuring the greens recover well after a busy period of play.

Golf RSA recently visited the course to complete a full re-rating from tee to green, and we look forward to receiving their feedback.

We kindly ask all members and visitors to continue using the sandbags to repair divots and to fix pitch marks on the greens. Even if it is not your own, please take a moment to repair it. Together, we can maintain the high standard of our course.

Important!

Please note that the course will close from 15:00 on Thursday, 2 April, for routine maintenance, and will remain closed all day on Friday, 3 April, in observance of Good Friday.

We will miss those who are away for the Easter weekend, but we look forward to welcoming back everyone who will be on the course. Whether you are spending the long weekend at home or travelling, we hope you enjoy this special time with family and friends.

Drive safely and enjoy the long weekend!

Ladies Committee Invitational

Join us for our Ladies Committee Invitational on 19 April 2026.

Open to Waterkloof Ladies members only, the morning will be filled with fun, friendly competition, and great company.

Afterwards, enjoy a small get-together with refreshments, snacks, and prize-giving. To book, please contact the Proshop at 082 866 3825.

PAR 3 CHALLENGE

Our Par 3 Challenges takes place on the last Friday of every month and is a fun, relaxed event for golfers of all levels.

Make it a family outing by bringing your spouse and children along. It is a great opportunity to enjoy the course in a social setting while taking part in some friendly competition.

There are always exciting prizes to be won, adding an extra element of fun to the day.

The Par 3 Challenge has long been a favourite at Waterkloof, and we encourage all members to join and help make it a lively and enjoyable event once again.
