WEBSTER SISTERS MAKING WAVES

Maegen Webster secured a stellar 5th place in the GolfRSA Nomads SA u/15 Championships at Waterkloof Golf Club.

While Kaylee Webster triumphed as The Ladies Amateur Winner in the GNGU All Amateur Series at Pretoria Country Club.

Maegen and Kaylee's accomplishments not only showcase their individual talent but also add to the pride of Waterkloof Golf Club. Well done Maegen and Kaylee!

GOLF COURSE & DRIVING RANGE

The Course staff had to work very hard during the holiday season to maintain the course and make all the preparations for the three tournaments that took place in January. Compliments poured in from organizers and players of all three separate tournaments held at our course, and it's great to know that we have a top-quality course to play on.

The work and improvements on the course never cease, with hollow tining carried out during the week of January 22 to 26 and the application of herbicides to control weeds around some of the dams.

The projects we undertook are nearing completion, and we have already identified several other projects on the course that will be communicated to members throughout the year.

We are happy to announce the arrival of a new ball dispenser at the driving range, which means members will not be inconvenienced anymore by limited opening hours. The workload on driving range staff will also decrease significantly. Balls can be purchased with a normal bank card and we are currently awaiting membership cards so that dispensing can also be done with these cards at the discounted rates. We urge our members to now even make more use of our driving range! In the photo above Ronaldo de Oliveira from Clubmaster is showing Annwyne and Godfrey how to operate the machine.

CLUB & ADMINISTRATIVE NEWS

We welcome back all our members from what was hopefully a relaxing and enjoyable Christmas break. We are delighted that a host of new members have joined our club, and our members tally looks very promising for the year.

We are also grateful and happy that 2023 was a particularly successful year for the club, not only in the number of rounds played (in excess of 45,000 18-hole rounds), but also in terms of turnover and all-round improvements. With the help and assistance of our wonderful members we are confident that 2024 will be an even better year!

To kick off 2024 with excitement, we're planning to sell some of our golf carts. If any of our members are interested, please email finance@waterkloofgolf.co.za to join the waiting list.
