Inter- Challenge Spirit: Ladies vs Hane

The club recently hosted a lively Inter Challenge between the Hane and Die Girls, bringing plenty of energy, camaraderie, and friendly competition to the course. Congratulations to the Hane for securing the win, a fantastic achievement and well deserved!

Adding to the festive atmosphere, players embraced the Valentine's spirit by showing up dressed in red, creating a vibrant and unified look across the course. The day was filled with team spirit, great golf, and the unmistakable sense of community that makes these events so special.

It was truly a memorable occasion, highlighting both competitive enthusiasm and the strong sense of pride and connection shared by everyone at the club.

GOLF COURSE NEWS

Our course maintenance team worked hard throughout February to ensure that the course recovered quickly and effectively after the hollow tining process. This essential maintenance promotes healthier greens and ensures excellent playing conditions in the long term.

With Club Champs just around the corner, special attention is currently being given to the rough, greens, and fairways to ensure the course is presented in top condition for this important event. Our goal is to deliver a course we can all be proud of.

We are aware of the water currently collecting at the dam near the 18th tee. Projects are already in the pipeline to address and improve this area.

Over the next two months, we also plan to begin repairing and upgrading various pathways around the course.

We kindly ask all members and visitors to please make use of the sandbags to repair divots and to fix pitch marks on the greens. Even if it's not your own, if you see one, please take a moment to repair it. Together, we can maintain the high standard of our course.

Our driving range continues to perform well, and we truly appreciate the ongoing support from our members. Thank you to everyone who makes use of this facility and contributes to its continued success.
