GOLF COURSE NEWS

With over 128.5mm of rain in November, our course has certainly seen its fair share of wet conditions!

As a result, the bunker project has been postponed to January, but the good news is that the course is draining exceptionally well, better than any other club in Pretoria.

A huge thanks to Moses and the entire course team for keeping the course playable under challenging conditions, even without a greenkeeper. Our new greenkeeper will be joining us in January.

The tree project is also moving forward, with 38 new trees being planted at various spots, including left of hole 12, whenever we get a break in the rain.

Mowing is less frequent at the moment due to the wet conditions, so we kindly ask all members to drive responsibly with carts and encourage visitors to avoid the fairways whenever possible.

To help keep the course in top condition, we've also added new sand buckets at the tee boxes and ask that all members and visitors make use of them.

A friendly reminder to rake bunkers, fill divots, and repair pitch marks whenever you play, your care makes a big difference in maintaining the course.

Most importantly, we hope you enjoy the festive season with family and friends, both on and off the course!

THANK YOU!

As we wrap up another wonderful year, we would like to sincerely thank all our members for your continued support throughout 2025.

From the Waterkloof Golf Club Family, we wish you a Merry Christmas, a joyful festive season, and a happy and prosperous New Year!

Our President's Christmas message will follow shortly.

CLUB & ADMINISTRATIVE NEWS

Ladies Year-End Function

Our Ladies' Year-End Function sure kept us on our toes! Despite the rain trying its best to dampen spirits, the ladies headed out not once, but twice, determined to finish their rounds, now that's dedication!

The day wrapped up perfectly with lekker pizzas, great drinks, and even better company as we celebrated the year together. Unfortunately, due to the weather, we couldn't officially conclude the competition or name an overall winner, but a huge congratulations to our birdie winners, Marni Greyling and Leja Joubert!

A big thank you to all our ladies for the incredible support throughout the year. We truly appreciate each and every one of you and look forward to an exciting 2026 together!

We would like to extend our sincere thanks to all our members, visitors, and sponsors for making our biggest event of the year such a success.

The Waterkloof Open 2025 Prize Giving provided the perfect conclusion to a day of exceptional golf, camaraderie, and celebration.
