GOLF COURSE NEWS

The Spring programme began earlier this year in preparation for the September rains. With limited rainfall, additional watering was required to support healthy growth.

This year, we used Air2G2 instead of hollow tining, complemented by extra verti-cutting and light dusting.

Fringe adjustments have also been made to lower certain areas on the greens, and we are now eagerly awaiting rain to support sod growth before rolling and cutting.

Some dead spots remain on tee boxes and around the course, which will be addressed once sufficient rainfall arrives.

Our bunker shaping project has begun, starting with the 14th greenside bunker.

Bunkers remain a top priority and will receive focused attention over the coming months. A temporary tee box is in use at hole number 3 to allow the main tee box sods to grow properly.

A new drainage area has been created between the 1st tee box and 9th fairway to improve water flow under the fairway. Further inspection and cleanup are planned from the 1st to the 8th holes.

Additional cart signs have been installed to guide traffic around the course. Members are encouraged to follow these signs and remind others if needed.

The driving range remains a popular facility, and we encourage all members to continue enjoying it.

We would like to inform our members that our Greenkeeper, Wessel Duvenhage, has resigned from his position. Wessel has been an integral part of the Waterkloof team, and we thank him for his dedication to maintaining our course to the high standards our members enjoy.

We wish him all the best in his future endeavours.

In the meantime, greenkeeping and course operations will continue under the supervision of management and our dedicated course staff while we work to fill this position.

CLUB & ADMINISTRATIVE NEWS

Junior League Highlights

We are proud to share the achievements of our Junior League teams this season.

Waterkloof 1 secured an impressive third place, finishing just one point behind the leaders.

Waterkloof 2 achieved a strong fifth place, with most of the players competing in league for the very first time.

We extend our congratulations to all our juniors for their dedication, growth, and outstanding performances throughout the season.

Junior Year-End Event

Join us on Sunday, 19 October 2025 for a special junior event, Jack and a Junior vs Jill and a Junior, as we celebrate the end of the season.

This fun Betterball Stableford competition is open to Waterkloof Golf Club juniors, with any parent, guardian, or older player welcome to partner.

Bookings can be made through the Pro Shop.

WATERKLOOF OPEN - BOKKIE & BRAAI BASH

We are thrilled to announce that the Waterkloof Open will take place on **Saturday, 1 November 2025!**

Tee-off times can now be booked through the Admin Office at events@waterkloofgolf.co.za.

Please ensure that proof of payment of R450 per player accompanies your reservation, using **“Name, Surname and Open”** as the payment reference.

Kindly note that regular Saturday tee-off times for schools and groups will not apply on this day.

Half-Year Feedback Meeting

We invite all members to join us for the Waterkloof Golf Club Half-Year Feedback Meeting on Wednesday, 15 October 2025 at 18:00 in The Arend.

This is a valuable opportunity for members to share their feedback, ask questions, and hear updates on club activities and developments.

BMW EV Charging

The BMW EV charging units at the clubhouse entrance (top of the stairs) are now up and running for your convenience.

For any assistance, please ask at the Pro Shop.

Our New Open-Air Roof

We are excited to announce the addition of our new open-air roof, a stunning new space for the club. Its grand opening on 26 September 2025 was a lovely celebration, and we are thrilled with how it enhances the atmosphere at Waterkloof.

The venue will be available for private functions from Monday to Thursday, while Fridays to Sundays it will be open exclusively for members and visitors to enjoy.
